the priory of sion hoax (the matrix dictionary) - the cathars, leonardo da vinci (when not inventing flying machines), father bérenger saunière (of rennes-le-château, to whom the vatican was allegedly prepared to pay blackmail monies, rather than have sent to the local institution for the heretically delusional), and the priory of sion. the truth of the tale was, seemingly, revealed in the book the holy blood and the holy grail. dan brown ...

capturing the secret fire in a rare interview, steve ... - and the holy grail. as i was lying in the bath one day, i heard a news item on the radio that the pope was about to visit the uk for the first time. suddenly the entire least 100 examples of the sort of phenomena i was talking about, but i did my best to avoid 'explanationism' as john michell calls it. a mystery isn't a problem. it can't be solved — it can only be entered into. and you are ...
